History [edit]

2005–06 UEFA Champions League [edit]

The 2005–06 season brought the club considerable European success and recognition, due to their consistent performances in the Champions League. In the qualifying round stage, Villarreal controversially defeated English side Everton with a 4–2 aggregate score with two 2–1 victories. In the group stage, Villarreal were to be in the same group as Portuguese champions Benfica, French club Lille, and England's Manchester United. Remaining undefeated throughout the group stage, Villarreal were twice victorious (1–0 each against Benfica away and Lille at home) and earned four draws, including two scoreless draws with Manchester United. They topped their group and progressed to the knock-out stages along with Benfica. The club progressed to the quarter-finals in their Champions League debut by defeating the Scottish club Rangers 3–3 on the away goals rule (a 2–2 draw)

El Submarino Amarillo drew Italian giants Inter Milan in the quarter-finals of the Champions League. The first leg was played at the San Siro on 29 March 2006, where Villarreal's Diego Forl scored inside the first minute of the match, but Villarreal lost 2–1 as Inter took a lead to the return leg at El Madrigal on 4 April. Villarreal, however, continued their unbeaten home record in the Champions League after winning the second leg 1–0 to qualify for the semi-finals on the away goals rule (the tie ended 2–2 on aggregate, but because of Forl's goal)

ruabarrena turned a back header from Juan Rom Riquelme free kick past Inter goalkeeper Francesco Toldo to score the decisive goal of the tie.

In the semi-finals, Villarreal narrowly lost out to Arsenal on a 1–0 aggregate scoreline following Arsenal goalkeeper Jens Lehmann's save of Riquelme's last-minute penalty.
