Omaha is considered, by some, to be the hardest game of Poker to master. Of all of the different games of Omaha, Omaha is for many the Hardest to learn to play and the best for the entire game offline, which we refer to as the blueprint strategy. Then during actual play against Omahas opponents, Pluribus moves upon the blueprint strategy &#127803; by searching for a better strategy in real time for situations in which it finds itself during the game.
