<p>How to play Book of Dead</p>
<p>Playing Casino at Mr Green is always an adventure of sorts and</p>
<p> in the case 👄 of Play N Go s Book of Dead, it s an adventure f
about an adventure.</p>
<p>But</p>
<p> let s start with its name. The Book of Dead 👄 was a collectio
n of manuscripts put</p>
<p> together by numerous priests in Ancient Egypt aimed at helping the dea
d with their</p>
<p> 👄 journey through the Underworld. It all sounds a bit spooky,
 although we re sure they</p>
<p> put it together with the best 👄 of intentions.</p>
<p> Anyway, history lesson over and thankfully</p>
<p> this slot is of a rather more uplifting nature than the inspiration fo
r 👄 its name. How</p>
<p> could it not be when the protagonist is Rich Wilde, an explorer in the
 Indiana Jones</p>
<p> mould 👄 who fears nothing and is never happier than when he s
 on the lookout for hidden</p>
<p> treasures? Irrespective of the dangers 👄 he may come across w
hen looking for them.</p>
<p> If you</p>
<p> think you ve seen Rich Wilde before, it s very possible that you €
068; have. He s been the</p>
<p> main man in slots Pearls of India and Aztec Idols, both also available
 at Mr Green. 👄 So</p>
<p> apart from anything else, the guy certainly travels a lot.</p>
<p> Everyone needs a budget when</p>
<p> you set off for adventure 👄 and there are three ways to manag
e yours. On the far left at</p>
<p> the bottom you can decide how much 👄 each coin you re playing
(between 0.01 and 1.0) with</p>
<p> is worth by going up and down on the Coin Value 👄 button. J
ust next to that you can</p>
<p> choose how many Coins you want to be playing (between 1-5) and just &
128068; to the right of</p>
<p> that one you can decide how many lines (1-10) you want to have active.
</p>
<p> The more lines</p>
<p> 👄 you have in play, the greater your chances of having winnin
g combinations on the reels</p>
<p> but the downside is that 👄 each extra line will cost you a bi
t more to play. Playing</p>
<p> around with these three buttons will determine your 👄 total s
take per spin and you ll see</p>
<p> how much that is where it says Bet just underneath it </p>
