<p>When a young woman, Lizzie Faulkner, is shot #128183; late at night o

utside the holiday chalet where she and two friends are staying for the weekend,

Vera and Joe #128183; suspect that her murder is linked to poachers operating

in nearby fields. They identify a suspect, Robert Doran, but despite #128183;

being in the vicinity at the time, he denies being responsible for Lizzie#39;s

murder. Vera begins to suspect the woman#39;s #128183; death may have been a

case of mistaken identity, and that the intended victim may have been one of th

e #128183; chalet designers, Corrine Franks, who was meant to have been stayin

g there at the time. A link to a tragic #128183; car accident a few months ear

lier involving Corrine, which led to an innocent woman losing her life, appears

to confirm #128183; their theory. When Corrine is later killed in a hit-and-ru

n, the team finally get the breakthrough they have been looking #128183; for.</p>
