There are quite a few icons that will bring you some kind of added value, and these are ones that you want to continuously be on the lookout for. The first of these is the wild, which is a big green W. This one stands in for other symbols to help create a winning line. However, it won't rub the scatter. This one is known as the Bonus Symbol in Morgana Megaways and is a goblet. The last special icon is the mystery symbol, which is a crystal ball.

Of the regular icons, Morgana is the highest paying if you land her across an entire payline. Among the other symbols that fall into the higher value category are snake's eye, a silver dragon and a purple gem.

The lowerpaying symbols are standard playing cards 9, 10, J, Q, K and A.
