<p>X-iter</p>

<p>Players can also switch to bonus mode by pressing the X-iter button, where they

<p>can choose five ways to play. 6 , £ This feature allows players to immediately take action

<p>with 5 different game modes, ranging from a 2x bet with more 6 , £ than double the chance to

<p>activate the bonus, to a 500x super bonus with a guaranteed Wild Strike feature for

<p>6 , £ each free drop.</p>

<p>Free Spins</p>

<p>Collected 3 bonus symbols, give 7 free spins. The most

<p>important differences between the base game and 6 , £ the bonus game are that the total

<p>multiplier is not discounted between drops. If a player receives a Super

<p>bonus 6 , £ symbol,

<p>the bonus game becomes a super bonus game. In addition, the landing flag

<p>symbols give

<p>additional drops.</p>

<p>Super Bonus Game</p>

<p>Collected 6 , £ 2 bonus symbols and 1 Super Bonus symbol

<p>activate the Super Bonus Game for the player. This game is the 6 , £ same

<p>as in the bonus

<p>game, but every time the free spins are triggered, a super wild symbol

<p>appears. The

<p>6 , £ Super wild symbol randomly replaces the symbols with a wild multiplier.

<p>As before,

<p>additional drops are added when the flag 6 , £ symbols are dropped.</p>

<p>

<p>Multiplier Wilds</p>

<p>In</p>

<p>addition to the usual wild symbols, multiplier symbols also appear on

<p>the reels. The

<p>multiplier wild 6 , £ symbols take turns adding their values to the winning

<p>clusters before

<p>the total multiplier is added. If the wild symbols 6 , £ with a multiplier

<p>link more than one

<p>winning cluster, they are divided into the corresponding clusters. If

<p>there is more

<p>6 , £ than one wild symbol with a multiplier in the winning cluster, they

<p>merge into one wild

<p>symbol with a multiplier, 6 , £ adding their own values ordinary wild

<p>symbols act as if

<p>they had 1x values.</p>

<p>Wild Strike</p>

<p>If a player activates Wild 6 , £ Strike, he randomly changes

<p>the payout symbols on the playing field into wild symbols or symbols w
