Playing Live Arabic Roulette is no different to standard European (or French) Roulette, as it features

female hosts who are not your standard European ladies though, because instead of the usual scantily-clad ladies in more skin than dress, Arabic Roulette ladies are dressed to impress with more sophistication. Take your seat at the virtual table and the host will welcome you to the room. Use the options on your screen to adjust camera angles and view the history of the last 500 games. Player interface allows you to play with less clutter and more focus on the game. Usual bets such as straight up, voisins, odds or evens and red or black are offered. Use the live chat facility to engage in conversation with other players and the hosts in your own language. When playing, you will not be able to see the bets placed by the other players at the table only yours, which adds a touch of privacy. Each game has a timer, which means you have to decide on which bets you wish to place within a certain time limit. U
