

bet 200 bonus

Vegas Gold is a 15 reel video slot where 6 of the reels are unlocked during re-spins and hold access to the bonus feature. The game is based on matching symbols with a re-spin functionality triggered by 3 identical symbols and continuing as long as additional matching symbols appear.

The Free Spin bonus feature is triggered by two scatter symbols present on the 6 reels that are unlocked during re-spins. The Wheel of Free Spins determine the number of Free Spins awarded. All 15 reels are active during Free Spins as is the re-spin functionality. Free spins start with a 2x win multiplier and for every new spin it is increased by 1x giving

players wicked win potential!

Designed and built for mobile first, all Slotmill games are lightweight ensuring short load times and the UI is optimized for small screens.

Full HD graphics, animations and sounds combined with well-balanced mathematics translate into a rich player experience.

In response to changing player preferences when it comes to gameplay, the Slotmill games have integrated an exciting feature; Burst Mode. Burst Mode is an enhanced auto-play with a play-through of two game rounds per second. This feature has proven immensely popular among players.
