

# jogos de blackjack online

A key difference between Blackjack and Spanish 21 is that 10s are removed from the deck in Spanish 21. A BlackJack occurs, when the first two cards dealt equal 22 (combination of the face Card (Jack), Queen, that all numbered 10 cards are removed from the deck leaving 48 Cards, in each Deck. Jacks, Queens and Kings count as 10 (As 1 or 11 (whatever is to the Player's advantage)).
