<p>Local Pub Leagues</p>

<p>Seasons are 4 months in duration:</p>

<p>1st January - 30th April</p>

<p>1st May - 31st August</p>

<p>1st September - 31 December</p>

<p>Players 🗝 earn points according to their finishing position on

the night.</p>

<p>At the end of the season the top 25% (maximum 15) 🗝 players at

each venue qualify for an end of season Tournament.</p>

<p>At this end of season Tournament a certain number of 🗝 players

will then qualify for the next National Final.</p>

<p>The National Finals are held in prestigious Casinos and the players hav

e 🗝 the opportunity to win major cash prizes and trips to Las Vegas<

/p>

<p>A player can play at as many venues as 🗝 they wish, and will a

ppear in the league table of each venue.</p>

<p>A new player can join at any stage of 🗝 the season.</p>

<p>Venues can join at any stage of the season, but must have staged a mini

mum amount of events in 🗝 a season, to ensure their players qualify for

the end of season Tournament.</p>

<p>Points allocation</p>

<p>For every player in attendance, 200 points 🗝 are added to the

Points Prize Fund for that night*</p>

<p>These points will then be allocated to the top eight players 🗝

in the following way:</p>

<p>1st = 30% of prize fund</p>

<p>2nd = 20%</p>

<p>3rd = 13%</p>

<p>4th = 10%</p>

<p>5th = 9%</p>

<p>6th = 7%</p>

<p>7th = 🗝 6%</p>

<p>8th = 5%</p>

<p>50 points for all others.</p>

<p>Additional 30 points awarded for bringing membership card</p>

<p>*</p> If less than 8 players in 🗝 attendance, whilst 200 points pe

r player get added to the prize pot, players still receive the same % of points

🗝 as above.</p>

<p>As an example, if there were nine players at an event, there would be 1

,800 points to play for. 🗝 The winner would therefore win 540 points (3) Tj T* BT

wn to the person who finishes 8th, with that person claiming 90 points (5 % of t) Tj T* BT

ho failed to finish in the top eight would receive 80 points. So 🗝 the

higher you finish, the more points you will win from the prize fund on that nigh

t.</p>

<p>*</p> If there was 🗝 5 players there would be 1000 points to play
