

sportsbook o que #233;

<p>Try and forget everything you have known about SingBet. Yes, they have a nasty tendency</p>
<p>to void certain bets, but #128185; in recent times, we have worked extensively and hard to try</p>
<p>and minimise the number of voided bets that come #128185; from SingBet.</p>
<p>Having SingBet is a very</p>
<p>good addition to the already amazing bookmaker/exchange portfolio that is offered on</p>
<p>Sportmarket PRO. #128185; With them, you will sometimes get good odds on events that are not</p>
<p>offered by other partners.</p>
<p>We do offer SingBet #128185; and it can be included in your list of</p>
<p>available bookmakers. SingBet is not activated by default on a user's #128185; account as they</p>
<p>are known for voiding bets (in most cases winning bets, but they also) Tj T* BT /P

<p>reason - normally only stating that the bet was #128185; "abnormal". This is something we cannot</p>
<p>influence.</p>
<p>SingBet is still offered to customers that are aware of the risk. We have</p>
<p>#128185; plenty of customers who think it is worth taking the risk as they will always get one</p>
<p>or more points #128185; extra on the odds when a bet is placed with SingBet and they are usually</p>
<p>the only bookmaker offering markets #128185; on specific events.</p>
<p>If several bookmakers give the</p>
<p>same odds for a bet, our system will place the bet with other #128185; bookmakers first to</p>
<p>minimise exposure against voided bets.</p>
<p>It seems the risk of having a bet voided is</p>
<p>present, no matter #128185; if betting on a Pre-game or In-play and possibly if a tipping</p>
<p>service is followed, as many players may be #128185; hitting the line at the same time then.</p>
<p>Thus, there is no parameter that grants the bet will not be #128185; voided by this bookie but</p>
<p>you can always disable them via the "Bookies" menu in your Sportmarket Pro Settings.</p>
<p></p>
